

# SHADY CREEK FARM & RIDING ACADEMY

## PONY RIDES & CAMPS

### Pony Rides for Children

#### Ages 7 and under

Supervised pony rides give young children the thrill of riding and a little horse experience! Pony rides provide your child the opportunity to pet and/or brush a pony, feed it a treat, and of course go for a pony ride! Each rider will have 10-15 minutes of hand-led riding time in either the indoor or outdoor arena, plus some extra time with the pony before or after the ride. Parents/ Grandparents are welcome to interact with their child during the pony ride – and don't forget the camera!

The rides are currently available year-round, during the weekdays between the hours of 10–11:30AM and 3:00–4:30PM; summer hours will be posted to website. Other times may be available upon request. Reservations are required for all rides – please call or visit our website to schedule your pony ride.

Regular Pricing is \$25 per rider or \$200 for package of 10 rides
